- SG400 (A4)

## SubliJet-HD High Definition Sublimation Ink

- Vibrant Colors
- High-Yield Formulation for Low Cost Imaging

## Online Designer and Print Driver Software

- CreativeStudio Designer
- Virtuoso Print Manager

## Business Resources and Technical Support

- Webinars, How-To Videos, Stock Designs
- Support for Printers, Ink and Software

SMALL

## Rotex Lite V3

- 2-year **guarantee** on the machine.
- 10-year **guarantee** on heating element.
- Plate sizes : 100 x 100cm
- Complete lateral clearance of the plate
- Optimal distribution of pressure and heat.
- Strong frame, parallel movement of the heat plate
- Evolved electronics
- Automatic opening and manual swing
- Advanced parameters electronics
- Ideal for medium to advanced production.
- Manufactured in France

MEDIUM

## Slide 655/865/1285

- Ideal for sublimation with good productivity and flexibility.
- Fast startup ! (15 to 20min)
- Plate sizes : 64 x 54cm/ 85 x 65cm/125 x 85cm
- Working area: 60 x 50cm/ 80 x 60cm/120 x 80cm
- Plate 120 x 80 cm rectified high quality aluminium (other dimensions to be confirmed)
- Multizone temperature control to prevent defects on the sides of the plate
- Perfect heat distribution
- 2 years **guarantee** on the machine.
- Manufactured in France.

LARGE

## Subli 1510+

- Ideal for sublimation **with good** productivity and flexibility.
- Multizones temperature control
- Fast startup ! (15 to 20min)
- **plate** size : 157 x 107cm
- Working area : 152 x 102cm
- 2-year **guarantee** on the machine.
- Manufactured in France.

FULL SHEET

## Sublimax 2513

- High thermal efficiency.
- Ideal for sublimation with good productivity and flexibility.
- Multizones temperature control
- Fast startup! (15 to 20min)
- Plate sizes : 255 x 130cm
- Working area : 250 x 125cm
- 2-year **guarantee** on the machine.
- Manufactured in France.

For Chromaluxe applications: Special high quality aluminum plates to maintain perfect flatness/pressure during pressing cycle. Advanced electronic, multi-zone temperature control to achieve best edge to edge results. Nomex top cover for better gas extraction.
